## DEAN COULTER, OF PURDUE UNIVERSITY, SPEAKS IN CHAPEL

Says: "We Have More to be Proud of Than Any Other Nation."

### STANDARDS ARE URGED

"Prevalent Unrest Exists In the World Today."

Dean Stanley Coulter, of Purdue University, was the speaker in Chapel Tuesday. Dean Coulter is one of the foremost scientists of the nation and is a speaker of personality and eloquence. He gave the lecture here that he gave at Cornell University more than a year ago, and which brought pleasant criticism from all over the country. Lucile Smith gave two charming delightful vocal selections.

Dean Coulter said in part: "America is different from any other nation in the world in that it has lived through three distinct epochs. We have more to be proud of than any other nation. The third and greatest epoch is today, when there is a prevalent unrest throughout the world. The causes are infinite. It is expressing itself never so much in the history of the world as today. We have disregarded for law; not open violation for law but contempt for law, forgetting that in a nation such as this there is anarchy. This age is utterly without standards. The old standards have disappeared and new ones have not been erected. Men and women, what is our task in an age such as this? In some sort of fashion we must supplant lawlessness, give to law the sanctity and respect it deserves. Erect new standards that every American will gather around with unswerving allegiance. This day of days is for strong men and women. It is given to your generation to attack these problems, to beautify and uphold the standards of courage, loyalty and respect for law that our Pilgrim fathers brought to this country. This is the time when strong men see their task and do it. The only question is, 'Are we large enough to see the opportunity that is thrust upon us?'"

"Young men and women of the University of Kentucky, America and civilization calls to you to snatch up the broken sword, to save the great cause in this heroic day—peace, loyalty and brotherhood be the standards to which you and I can gather."

## DOCTOR McVEY SPEAKS AT U. OF MINNESOTA

Attends Inauguration of Lotus Delta Coffman As President.

Dr. Frank L. McVey returned from Washington Monday, where he represented the National Association of State Universities at the meeting of the American Council of Education. He went to Owensboro Tuesday where he addressed the Rotary Club at its Wednesday luncheon. In the afternoon he spoke before the teachers of Davies County and in the evening he attended the meeting of the Kentucky Alumni Club which has recently been organized in Owensboro. From Owensboro, Dr. McVey went to Minneapolis, Minnesota, where he attended the inauguration of Lotus Delta Coffman as president of the University of Minnesota and gave a talk on the subject: "The University and the Development of Agriculture." Dr. McVey has been asked by the Bureau of Education to assist in the educational survey of the universities of Arkansas.

## "ADMIRABLE CRITCHON" PLAYS AT FRANKFORT

Strollers' Part Is Feature of "Old Ky. Home" Program.

The Strollers' presentation of "The Admirable Critchton" to a crowded and enthusiastic house at the Capitol Theatre in Frankfort last night was the most important feature of "The Old Kentucky Home" day program given in that city yesterday. A speech by Governor Morrow between the third and fourth acts of the play was an added feature of the evening's entertainment.

The Strollers presented "The Admirable Critchton" in true form last night. There were 300 patrons of the play among whom were Governor and Mrs. Morrow. The music for the evening was furnished by Frankfort talent.

The cast of "The Admirable Critchton" went to Frankfort in shifts yesterday. The boys of the cast left Lexington at 12:10 noon in order to arrive in Frankfort in time to make all stage preparations for presentation of the play. The girls of the cast left Lexington at 3:10 p. m. The 11:30 p. m. trolley was held in Frankfort for the company, which returned to Lexington early this morning.

## MAJ. HICKMAN SPEAKS AT Y. W. C. A. MEETING

Reform School Head Talks on Conditions There.

Major Hickman, head of the Greendale Reform School, was the speaker at the meeting of the Y. W. C. A. at Patterson Hall last Sunday evening. He talked on the Reform School and told of some of the problems which confront the workers there.

He said that they found it to be a better plan to keep the boys and girls entirely separated. He also said that it was wrong not to restrict them and to keep strict discipline. The training for the boys is based on military discipline and the tighter the discipline the better they like it.

Lella Willis Pogue was the student leader of the meeting.

## Princeton Voted Most Popular College At Yale

Princeton took first place in the vote for the most popular college outside of Yale in the Senior Class statistics of the Yale Sheffield School last week. Harvard second, and Williams and Dartmouth were ranked third and fourth. A "Y" was voted to be a greater honor than Phi Beta Kappa. The Senior year was adjudged both the hardest and the most pleasant year. Falstaff defeated Sydney Carton by three votes for the honor of favorite fiction character, and Napoleon was easily elected as the favorite historical character.

## STANDING OF FRAT MEN IS ISSUED BY DEAN MELCHER

First Semester Record of Members of National Social Fraternities.

### PI K. A. STANDS FIRST

Number of Hours Missed Equals 3.8 School Years.

A report of the standing and attendance of the members of the national social fraternities at the University for the first semester—1920-1921—has recently been issued from the office of the Dean of Men. This report shows that the average number of absences a man is \$1.38 and the standard deviation a man from this average is 2.643. The average standing a man is 1.186, while the standard deviation a man from this average is .6547. From these figures, it is found that the grades on the average decrease as the absences increase.

The Pi Kappa Alpha fraternity has the highest standing which is 1.60. Sigma Alpha Epsilon is second with an average of 1.52, while Phi Delta Theta, with an average of 1.51, is a close third. The averages of the other fraternities vary from 1.00 to 1.47.

Out of the 830 men students in the University, 172 are members of social fraternities and there are 87 pledges. This means that 31 per cent of the men in the University are members of social fraternities.

Another interesting item which was brought out in the report is the average number of class hours missed by fraternity men. In the Agricultural College this average is 13.1; in the College of Arts and Science, 16.7; in the Engineering College, 15.8; and 16.9 in the College of Law. Counting twenty hours to a week and thirty-six weeks to a school year, the total number of class hours missed by members of social fraternities equals 3.8 school years.

## "PERCY McKAYE PLAY" TO BE IN LITTLE THEATRE

Author Will be Honor Guest

The fifth play to be presented by the Little Theatre this year promises to be a rare treat. This performance is a special one because the play is "The Catboat" by Percy McKaye and will be given at the Little Theatre next Monday and Tuesday nights, May 16 and 17, at 8:15 o'clock. The author himself will be the guest of honor for the two nights and after each performance there will be a reception for him in the Woman's room.

The Little Theatre is having an all-star cast for the presentation of this play which includes Mrs. Matt Walton, Mammie Miller Woods, Mrs. B. F. Van Meter and Prof. J. T. C. Noe.

A large audience is expected to attend. Monday evening's performance is for the faculty and towns people and Tuesday's is for the students. The admission will be 75 cents for the faculty and towns people and 50 cents for the students. Little Theatre season tickets may also be used.

When here a few weeks ago, Mr. McKaye read "The Catboat" before the Woman's Club. Mrs. Matt Walton plays the part of Niko, the little boy. Mammie Miller Woods, as Naraida, gives a beautiful and finished interpretation of the part. Prof. J. T. C. Noe is very much at home with the part of the skipper. All who have heard him read his poems will be delighted to see him on the stage. Mrs. B. F. Van Meter plays the part of the old lady with considerable ability.

## FIELD DAY IS POSTPONED

The Girl's Gymnastic Field Day tournament scheduled to take place at Stoll Field yesterday afternoon as called off on account of wet grounds. The exhibition will take place Monday at 3:30 p. m. Townspeople and students are invited to attend. Admission free. Miss Sarah Blanding is in charge of the tournament.

## STUDENTS ASKED TO HELP IDENTIFY MAN

Former Soldier, Thought To Be From Ky., Now At Albany, N. Y.

Communication has been received from authorities at the City Hospital, Albany, N. Y., stating that there was an "ex-service" man confined there who is suffering from lapse of memory. He realizes everything that is going on at present but is unable to recall anything about the past.

There are reasons for the hospital authorities to believe that his home is in Kentucky, probably in Louisville. He received preparatory schooling in Louisville High School and was a student in a private school in Covington. He received a Bachelor of Arts degree in some college.

He is about 24 years of age, height about 5 feet 5 inches, smooth face with freckles, small light blue eyes, a high forehead and red, curly hair. At present, he wears tortoise shell rimmed glasses. He is evidently a college bred man. One thing he remembers is the name, "Red" McMillan.

Anyone who thinks he is able to identify this young man is asked to communicate with Miss Flannigan, Supervisor Pavilion F, Albany City Hospital, Albany, N. Y. Further information may be had by calling at the Kernel office and reading letters and telegrams that have been received from Albany.

## SENIORS WIN CLASS GAME BY 7-4 SCORE

Freshmen Lead in Race for "Daddy" Boles' Cup.

In the interclass baseball game played Monday afternoon, the Seniors defeated the Juniors by a 7-4 score. The game was close throughout and it was not until the final inning that the result could be safely determined. Weatherholt pitched for the winners with Bell as the receiver. Winters did the mound work for the third year team. Burnham handled the deliveries of "Babe."

In the chase for "Daddy" Boles' silver cup the Freshmen have the tightest grip. The Sophomores are close behind and at any time may take first place. The victory of the Seniors pulled them out of the cellar to tie with the Juniors.

## Delta Sigma Pi Holds Initiation and Banquet

Delta Sigma Pi, professional fraternity in commerce, held an initiation and banquet Monday afternoon and evening at the Lafayette Hotel. The men initiated were: Joe Lovett, George Gregory, Toliver Anderson, Harold Walts, and Hinton Leach. President Frank L. McVey was taken in as an honorary member.

The members of Eta Chapter are: Fred Augsburg, Brady Lloyd, John Casner, Glenn Tinsley, Otis Jones, Robert Raible, Raymond Rodgers, George Sun, Hugh Peal, Paul Cooper, and Dr. Edward Wiest.

## TRACK TEAM FIGHTING FOR CHAMPIONSHIP OF SOUTH AT SEWANEE

Coach George Buchheit and 7 Men Left Thursday Morning.

### FINALS ARE SATURDAY

Clare to Meet Man Who Tied World Record.

George Buchheit has gone away to a far country—Sewanee—with a team hoping to bring back the All-Southern championship for the second time in the year 1921.

He had a corking good basketball team and we all know it. After several fiercely contested games on the floor at Atlanta the squad brought back the cups, laurels, praise, and whatnot, and there was not a doubt in the minds of anyone but that the University of Kentucky had the best team and coach beneath that Mason and Dixon line.

And now, the young coach has turned his attention to track and Sewanee. He took his best men along and by tomorrow night, the results will be made public.

The team has been laboring under difficulties, namely: the weather. Every meet so far held has been on a muddy track and there was scarcely a chance for record time. Clare is up to his old form and in accordance with his custom he will take both of the hurdles, he will probably be entered in the 100 and he will more probably place.

Thornton copped off the ½-mile last year and he is still better this year. Hayden is up to form in the Javelin and the school is looking for a first from him. Porter has been steadily improving and he will probably place in the mile and two-mile. Snyder knocks off the quarter with ease and he should make the best of them work. Boyd, Wilhelm, Thornton and Snyder compose a relay team that is hard to beat.

There is a man from Sewanee who runs the hurdles and he has tied the world record, the school should worry. Clare will have a chance at him. The following men left Thursday morning and will return some time Sunday: Hayden, Wilhelm, Clare, Porter, Snyder, Boyd and Thornton.

## KENTUCKY BALL TEAM ON SOUTHERN INVASION

Wildcats Play Tennessee Vanderbilt Two Games Each.

The Wildcat baseball squad of thirteen men left last night for Knoxville where they cross bats with the Volunteers for a two-game series. The games with Tennessee will be played today and tomorrow. From Knoxville the Kentuckians will go to Nashville to meet the Vandy organization. Kentucky improved its hitting in the game with Vanderbilt last week and they are anxious to even matters with the Commodores.

Coach Gill is taking his regular men to the Southland. Slomer, Cooper and McKinney are slated to uphold the honor of the Wildcats on the mound. Baugh and Gregg will receive their offerings. The rain that has prevailed the past week has thrown all practice to the winds except a day last week

A BIT PERSONAL

The Kernel begs leave to make a personal explanation concerning irregularities in the mechanical make-up of the last ten or twelve issues. The fact of the matter is: On account of labor troubles of more or less magnitude affecting the office of its publisher, it has been compelled to submit much of its copy to Cincinnati to be put into type. As the machines in different offices differ in type point, it has not been possible at all times to keep the typographical appearance of the paper uniform, a condition for which the Kernel feels is only fair to say, that neither its publisher or its editors are responsible.

The Kernel appreciates the patience and loyalty with which its publisher has taken care of it through these disappointing experiences and hopes its readers will continue to be as patient as they have been until these conditions shall adjust themselves.

As a result of this situation, a number of typographical errors and irregularities in the make-up of the paper have occurred.

ALPHA GAMMA RHO HOLDS BANQUET AT LAFAYETTE

Professor G. H. Martin, head of the poultry department at the University, Professor Kinney, head of the agronomy department, and Professor J. J. Hooper, head of the dairying department, were the speakers Saturday night at the annual banquet of the Alpha Gamma Rho Fraternity, which was held in the Lafayette hotel. The banquet was held to commemorate the establishment of the Chapter Omicron, and twenty-eight members of the fraternity were present.

BEVO BILL'S BUNK

There Before

She fell with a light sigh into his arms. Her head tilted backward and their lips met. She turned her head and spoke:

"You understand, don't you, Jack, that I've never done a thing like this before?" she asked anxiously.

He, thinking of what had just happened. "Yes; but what an awful lot of experience you must have inherited from someone."—Punch Bowl.

He, after stealing a kiss: "I suppose you'll tell me never to come around again."

She: "No, I was just going to give you a standing invitation."

Watson: "Miss Newgown is coming out at the prom this year."

Sherlock: "Make a note of that, Watson, I'll be there."

Bill to Peg: "What kind of animals do you like best?"

Peg to Bill: "Teddy Bears."

On With the Dance

Chawley (making out his dance program): "And say, Bill, I want to dance with your girl the worst way."

Preach—Why do you wear your dresses so high?

Woozy—Hoover says "let nothing go to waste."

Dick—While you were standing in the doorway saying good-night to the sweet young thing, did it ever dawn on you—

Harry—Naw; I never stayed that late.

She—If I kiss you this once, will you promise never to ask me again?

He—Certainly, dear. If you consider it unnecessary.

A young lady told us that she wandered around the campus without stockings for three days and no one noticed the difference.

and Monday. It may be that this rest will key the batting eye of the Wildcats up to a higher pitch. If this is the case and with the determination that has accumulated from the large number of setbacks the Cats will be hard to beat.

The squad has played its last game at home and this trip is its only long journey. After the games in the South, Kentucky will engage Cincinnati, Georgetown, Kentucky, Wesleyan and Centre. The team has taken the measure of the latter three clubs but it still has a score to settle with the Queen City university.

The men who left for the South last night are: Slomer, Cooper and McKinney, pitchers; Gregg and Baugh, catchers; Captain Brown, first base; Muth, second base; Propps, shortstop; Ridgway, Jones and Beam, outfielders. Either Slomer or McKinney will cover the hot sack. Coach Gill and Manager Bell accompanied the team.

Mabel—Bill's filling his old love letters.

Lizzie—Are they as rough as that?

PRE-MEDICAL CLUB  
The Pre-Medical Club met Monday night, May 2, in Dr. Pryor's office in Science Hall. Prof. Noe gave the society a talk on how to become proficient in English and the value of it in any thing one attempts. He also gave the society some readings on the subject of "Sanitation" as seen by a mountaineer and various other interesting topics.  
Ice cream and cake, which was Dr. Pryor's treat for the society, was served at the close of the meeting.

POLITICAL ANNOUNCEMENT

OF

GEORGE R. SMITH

For the first time in the history of the University of Kentucky one of her graduates seeks the office of Commonwealth's Attorney for Fayette County.

The University has not grown, in the past, with the strides which have marked the progress of many of her sister institutions. One reason for this has been due to the failure of our university to exhibit a genuine interest and concern in the welfare of her graduates—an interest so strikingly noticeable in the policies of other institutions in the state, whose graduates, in turn, have striven for the upbuilding of their alma maters, but whose regard for the University of Kentucky is secondary.

I assure you that I have the interest of the University at heart, and I request, and will greatly appreciate, the consideration and loyal support of university men and women, and of the alumni. The results of my candidacy, as I sincerely believe and intend, will accrue to the mutual advantage of us all.

ALUMNI NOTES

The Cincinnati Club reports that in spite of the fact that the Kentucky team started with more workers than the Ohio team in the membership drive, at present the Ohioans are leading. "Only 49 have enrolled as members and we should have at least 100," says Mrs. Studer, the Secretary. "Who is going to enroll the other 51? If the Kentuckians do not get busy, we Ohioans are to enjoy their forfeit—a lunch at the next club meeting, which will be before June 14. Details will be announced later. The officers want an enthusiastic delegation of Cincinnati Alumni to be on the old campus June 14—Alumni Day."

The Cincinnati Club is sending in new names weekly and they say that they intend to continue to do so. New members reported this week are:

H. C. Matlack, ex '33, a dentist at 19 West 7th St., Cincinnati, O., res. 405 Wallace Ave., Covington, Ky.; Walter A. Farrell, '07, supt. of the Ferro Concrete Construction Co., 3rd & Elm Sts., Cincinnati, O., res. 402 6th St., Dayton, Ky.; Franklin Williams, '16, district manager for S. S. Military News

A dance was given in the Armory Monday afternoon to Company B and the Band by their sponsors, Captain Mayme Miller Woods, Company B, Lieutenants Frances DeLong and Minnie Mae Robinson, Company B, and Captain Margaret Smith of the Band. Refreshments were served.

Last Saturday, the Military Department sent a challenge to North Carolina A and M, for a rifle competition sometime within the next ten days between the teams of the two institutions. The North Carolina cadets are champions of the Fifth Army Corps Area.

A team of about fifty cadets from the battalion is being trained for field day, May 23. They are being instructed in the gymnasium classes by members of the Military Department. Their part of the program on field day will consist of Butts' Manual of Arms, executed to music by the Band.

Colonel Freeman and Major Tucker expressed great satisfaction with the showing made by members of the battalion when they escorted the Venezuelan Commission to the tomb of Henry Clay, Sunday afternoon.

AG. SOCIETY HOLDS INTERESTING MEETING

An unusually interesting program was given at the meeting of the Ag. Society held in the Ag. building, Monday, May 2, at 7:30 p. m.

The program was as follows: "The Future of Home Economics in Kentucky," Mrs. D. Y. Dunn; "Commercial Clubs," R. McAlpin; "A Summer in the Western Wheat Fields," Geo. Spurlin; "A Trip With the Strollers," Bob Mitchell.

The attendance was not quite so large as usual due to the disagreeable weather but those present enjoyed a most interesting program.

Second Soph.—I'll flip a coin. If it's heads, we'll go to the movies; tails we go to the dance, and if it stands on edge we'll study.

CAMPUS GOSSIP

In an article entitled, "A Study of Cloacites in the Domestic Fowl (so called 'Vent Gleet') published in the annual report of the New York State Veterinary College at Cornell University for the year 1919 and 1920, the authors, Doctors S. A. Goldberg and J. P. Benson, make the following acknowledgement:

"Thanks are due Professor Rice for suggesting this problem and for furnishing some of the cases and all of the experimental birds. The writers are also indebted to Dr. M. Scherago for his kind assistance."

Miss Adelaide Crane spoke at the meeting of the Woman's Missionary Society at Central Christian Church Monday afternoon at 3 o'clock.

Miss Crane was in charge of an orphanage in Asia Minor for a year, and

the subject of her talk was "Near East Relief."

Those from the University who will attend the Vocational Regional Conference to be held in Chicago, Ill., May 11 and 12, are Benton E. Barringer, A. N. May and M. C. James.

Dr. P. K. Holmes, head of the Department of Hygiene, will address the Parent Teachers' Association at Louisville, on "Some Health Fallacies," and the students of the Louisville Girls High School on "Foundation Stones for Building Health," May 11 and 12 respectively.

Bill—Between you and me, what do you think of her?

## LEBANON ALUMNI CLUB OBSERVES KENTUCKY DAY

### High School Seniors and Faculty Entertained at Dinner.

"Kentucky Day" was observed Thursday, May 12, at Lebanon under auspices of the University of Kentucky Alumni Club of Marion County. Professor E. F. Farquhar spoke, at a special chapel meeting in the city high school in the morning and at the county high school in the afternoon.

The senior class of the high school and the faculty were guests of the alumni club at a dinner in the evening. Professor Farquhar was the principal speaker at this meeting also. The Lebanon Club, which was organized only a few weeks ago, is one of the most active of all the branches of the Alumni Association.

A similar celebration is being planned by alumni in Graves County to be held some time this month.

### TEA FOR SPONSORS AND CHI OMEGA

A beautiful afternoon tea was given Tuesday by Mrs. Albert S. J. Tucker at her home on Preston avenue in honor of the newly elected sponsors of the cadet battalion of the University, and in honor of Lambda Alpha Chapter Chi Omega fraternity of the University of which she is one of the patronesses. The decorations were in the Chi Omega colors, cardinal and straw, with yellow iris bloom and crimson peonies artistically arranged.

The hostess was assisted in entertaining by Mrs. Silas Mason and Miss Carolyn Sharpe of the University. The tea table was daintily appointed and was presided over by Mrs. Mason. Delicious refreshments were served in the form of tea, sandwiches, lemon and cherry ices and, cardinal and straw cakes.

### TIGERT WILL BE APPOINTED

## SQUIRREL FOOD

By Arthur Cameron

Ridgeway, the boy who wears bow ties and arrow collars had a ripping time when he slid in home the other day and hung his pants on a spike. Even so!

It's the quality and not the quantity of dress that the sun shines through.

"May I come near you," he begged. "No, I'm afraid you will." "Honestly, I won't," he gasped. "Then what's the use?" she asked.

Those grand and glorious words—"Don't eat onions and be sure and shave before you come out tonight."

"He threatened to scream, so I had to."

If Owsley Stanley and Eli Brown can stand buttermilk, all of us can, remarked an editorialist.

Down with the worm! All hail, the noble churn!

Less corn full of kernels and less colonels full of corn.

## UNIV. TO REPRESENT JAPAN IN Y. W. PROGRAM

Next Sunday afternoon, May 15, a trip around the world will be conducted by the Y. W. C. A.'s of the colleges of Lexington. Sayre College will be India, Hamilton College, South America, and Transylvania College will be China. The University of Kentucky is going to be Japan and the Recreation Hall at Patterson Hall will be transformed into a part of the cherry blossom land. A pageant will be presented showing the work of the Y. W. C. A. in Japan. So if you want to take a trip around the world in one short afternoon, come and join the crowd and visit the Lexington Colleges next Sunday afternoon.

### MEETING PLACE CHANGED

On account of unavoidable conflict of date, the regular May meeting of the University forum, scheduled for Monday evening in the Little Theatre, will be held in the lecture room, first floor of the Science Building.

"Why are you limping?" "I went up in a ballroom and walked back."—Purple Cow.

She—Cut out the rough stuff. He—Oh, you want me to shave?

Lost—Alpha Chi Rho frat pin. Garnets and pearls. Name, Carter Halbert, 1914. Stoll field or cinder path.

## ACADEMY OF SCIENCE

Annual Meeting Here Saturday.  
Sixteen Addresses Will Be Made.

Fifteen Kentucky scientists and one out-of-the-State speaker will deliver addresses at the annual meeting of the Kentucky Academy of Science, to be held here Saturday according to Dr. A. M. Peter, secretary of the Academy, who has announced plans for the meeting.

The principal address of the eighth annual session will be given in the afternoon by Dr. Henry B. Ward, of the University of Illinois. His subject will be "On the Trail of the Alaska Salmon." Election of officers and other business will occupy the remainder of the time in the afternoon meeting.

The opening address of the meeting will be given by Dr. W. H. Coolidge, Centre College, Danville. His subject will be "The Relation of Chemical Training to Industry."

### LARGE ATTENDANCE AT PATTERSON MEETING

The Patterson Literary Society met Friday, May 6, in Alumni Hall. A large attendance was present in spite of inclement weather and other activities on the campus. An unusually good program was given. J. T. Hunter gave two violin selections, which were the most interesting features of the program. E. E. Siler made a talk on Theodore Roosevelt. A. W. Armistead gave a reading "In the Sentry Box" and F. P. Bell gave a talk on Eugene V. Debs. The treasury report was made by H. W. Sullivan and the names of Thomas Baird and E. H. Smith were added to the roll of the society.

### AN ANNOUNCEMENT PARTY?

Lambda Alpha chapter of Chi Omega will entertain with a tea at the home of Fannie Summers Tarlton, on the Georgetown Pike, from 4 to 6 o'clock tomorrow afternoon. There is a rumor that it is to be an announcement party but the name of the girl will not be divulged until the proper time.
